Consequent on the sudden erosion during the last monsoon of the fish-curing yard at Hungarcutta the salt bags in the store-shed had to be removed to a private shed last year. A rent of Rs 93-2-0 had to be paid to the owner of the building for a short period of four months. As this year also a similar or worse situation may arise, the Assistant Director suggests that it is better to have our own sheds instead of depending on private sheds at exorbitan

rent. He has submitted an estimate for Rs 360/- for the construction of two temporary sheds on a site close to the yard. It is reported that the site belongs to one Rama Poojary and that he is willing to rent it. [redacted]. I have the honour to request you to be so good as to obtain sanction of Government for the payment of the ground rent of Rs 2-8-0 per year for the site.

2. If Government approve of taking the plot of land on rent, the estimate submitted by the Assistant Director will be sanctioned by me and returned to him for execution during 1938-39.

I have the honour to be,
Sir,
Your most obedient servant,

B. Sundara Raj
Director of Fisheries.
